

LIBRARY DIRECTOR'S REPORT

DAG Advisory Committee

The Dunlop Art Gallery Advisory Committee had its first meeting recently. Current members include: Don List, Linda Payeur, Christine Ramsay, and Rachelle Viader Knowles. The mandate for the group is not yet fully developed but, in keeping with earlier discussions, it will be an operational committee advising on programs and helping to promote the DAG within the community.

SILS

The Single Integrated Library System (SILS) Steering Committee continues to meet to oversee the development of a Request for Proposals (RFP) document for a Province-wide circulation/cataloguing system. At the Committee's most recent meeting, Assistant Deputy Minister Darren McKee was in attendance. Progress on the RFP has been good with a number of Task Groups assigned to specific operational areas providing recommendations to the Steering Committee.
