

LIBRARY DIRECTOR'S REPORT

2010 Audit

The audited financial statements for 2010 are included in the Board package. The auditors, along with the Library's Interim Head of Finance and Administration, Sheila Filion, will present the statements and take any questions that Board members have.

ALC Report

The Albert Community Library Committee will attend the Board meeting and present their annual activities report as outlined in the RPL Board's agreement with the North Central Community Association. The Committee has changed a lot since the last presentation and the new Chair of the Committee, Lorelee Belisle, will be presenting.

Provincial Librarian

There have been a few changes at Provincial Library in recent weeks and months, one of which is the departure of Provincial Librarian, Joylene Campbell. Joylene has decided to move to the new position of Executive Director at the Information Management and Support Branch of the Ministry of Education. The posting for the Provincial Librarian position has already been up and an appointment announcement is expected soon. Joylene has been a part of the Saskatchewan library community for 35 years and, while she will be missed by libraries, her new role is an excellent fit and she will continue to have an impact on public library services in Saskatchewan.
